2. Welcome to the meeting in Copenhagen G.L. Balázs
3. Membership of COM9 Dissemination of knowledge G.L. Balázs
4. Review of Terms of references (Working Programme) G.L. Balázs,
H. Müller
G. Clark
P. Schumacher

5. *fib*-courses G.L. Balázs
6. *fib*-summer schools G.L. Balázs
e version of *fib* schools: Yamei Zhang
*“May I suggest to develop some e-courses which may be available to engineers and researchers?
Summer school is a nice way to disseminate newly developed knowledges, can we work out an
application program so that the universities who are interested in this may learn how to apply for the
summer school and how to operate it.” Yamei Zhang*

7. *fib* Textbook Structural Concrete – Advanced design of Concrete Structures
Action: Develop Bulletin on examples for MC2010 J. Walraven

8. PhD Symposia K. Maekawa/Ishida
9. Publications
fib Journal: Structural Concrete – Any need for help from COM9?
fib Symposium/Congress Proceedings - Better use of in the future
fib Bulletins
.....Impact Factor for fib Procs and Bulletins?
10. Electronic dissemination
